The SkillsUSA Maryland State Championship offers state-level competitions for high school (middle and PS) student members enrolled in Career and Technical Education (CTE) programs. To better appreciate the diversity of competitions available to students see 2024 state contest list.

Each Spring, the State Championship showcases Maryland CTE students from across the state who compete in a wide variety of skilled, occupationally-related and leadership events. The first place “gold medal” winners qualify to represent Maryland at the annual National SkillsUSA Leadership and Skills Conference (NLSC), in Atlanta, Georgia, June 24-29, 2024.

SkillsUSA Maryland paid Professional Members (ie. advisors/instructors) have online access to the latest competition Technical Standards. Go to [skillsusa.org](https://www.skillsusa.org) and click the “Join” button at the top of the home page to access this information.
