

Student Parking Orientation Spring Semester 2025

Introduction

- Parking on school property is a privilege and not a right.
- There are limited parking spaces.
- Students must obey all traffic patterns and laws. This includes driving at appropriate speeds.
- Each high school principal determines the number of spaces on school premises that are designated for students, the procedure for allocating the spaces and the policies governing parking in alignment with AACPS Code of Student Conduct. [AACPS Policy JGA: Student Parking at High School and AACPS REgulation JGA-RA \(906.01\): Student Parking at High School.](#)

Rules & Responsibilities

- *Students must display their parking tag.* Students need to communicate to Mr. Love or Mrs. Dillon if there is an issue with their parking hang tag on any given day. *Students are not to lend to or swap their pass with anyone.* Students are not to be in possession of a parking pass that is not assigned to them. **Students and parents should know that student's vehicle may be towed at the owner's expense if rules are not adhered to.**
- Students will not linger at their cars or in the parking lot. Students are to park and promptly enter the building.
- Students must drive responsibly on school property.
- Students are responsible for their car and its contents while on school property.

Expectation of Students

- Must provide verifiable documentation.
- Must drive only the registered vehicle(s).
- Must remain in school during their scheduled day. Students need administrative approval to go to their car.
- Students may **NOT** leave school w/o permission.
- **South River HS Students: You MAY NOT leave SRHS during NEST or lunch. (Closed campus – AKA do not leave campus)**
- Must arrive to school on time!!
- Any student who leaves campus without permission, or is continuously tardy to school, is subject to administrative discipline and revoking of parking pass.
